

Teaching traditions beyond Textbooks: Bonalu Celebrations at St. Martin's High School, Hyderabad.

Hyderabad, August 8:

St. Martin's High School, Chintal, celebrated the Telangana traditional festival of Bonalu with great devotion and enthusiasm, highlighting the importance of preserving cultural heritage alongside academic learning. School Principal Mrs. Rohini Remella, along with coordinators and students, offered Bonam to Goddess Mahankali. The celebrations featured vibrant Potharaju dances and lively Kolattam performances by students, creating a festive atmosphere on the school campus. Addressing the students, Principal Rohini Remella explained the significance of Bonam as a traditional offering made with devotion to Goddess Mahankali. She stressed the need for cultural traditions and heritage of Telangana. The celebrations reflected the school's philosophy that education extends beyond textbooks and technological advancement. While equipping students with modern knowledge and skills, St. Martin's High School also focuses on connecting them with their cultural roots and traditional values. Such celebrations, she said, provide students an opportunity to experience and appreciate customs and traditions, fostering a sense of pride in their rich cultural heritage. The programme concluded with the National Anthem, leaving students and staff with a memorable experience of devotion, culture and togetherness.

TGSRTC showcases digital, green mobility initiatives at UITP India Bus Conference 2026

*Hyderabad/New Delhi,
Aug 7 (UNI)*

*Hyderabad/New Delhi,
Aug 7 (UNI)*

Telangana State Road Transport Corporation (TSRTC) showcased its initiatives in sustainable and technology-driven public transport at the two-day UITP India Bus Conference 2026, which concluded in New Delhi on Friday. TSRTC Vice-Chairman and Managing Director Y Nagi Reddy, who participated in the conference as Convener, presented the corporation's reforms aimed at improving financial sustainability, operational efficiency and passenger services. He highlighted measures to expand the use of electric buses, strengthen digital passenger services and enhance the overall efficiency of public transport in Telangana. The international conference focused on developing an eco-friendly, technology-driven urban bus transport system, with discussions centred on electric bus operations, charging infrastructure, digital payment systems and smart mobility solutions. Experts also deliberated on the use of Artificial Intelligence (AI) for predictive mobility, integration of metro, bus and auto services through the National Common Mobility Card (NCMC) and the MaaS 2.0 platform, and the introduction of Wi-Fi and digital ticketing for passengers. Participants also discussed strategies to achieve net-zero carbon emissions through 100 per cent electric bus fleets, financing through green bonds and low-interest loans, and strengthening transport corporations through advertising, public-private partnerships and data monetisation. Future mobility concepts such as autonomous shuttles and urban air mobility also came up for discussion. Managing Directors of various State Road Transport Corporations, policymakers, international delegates, industry leaders and startup representatives attended.
